Thank you very much for your December 31, 2009, gift to the California Institute of Technology in memory of Mrs. Peggy Ann Stone. Please accept our condolences for your loss. Your thoughtful contribution in remembrance of Mrs. Stone at this time is greatly appreciated by her family, as well as the scholars who will directly benefit from the Mark Davis Lab for Cancer Therapy Research.

Because contributions from alumni and friends, like you, are a major source of private support, every gift helps strengthen the Institute's programs. However memorial gifts, like yours, also help Caltech remain a premier research and educational institution, by directly supporting the laboratories, scholars and research programs across campus. We are pleased to be part of this meaningful tribute to Mrs. Stone.

Once again, thank you for honoring the memory of Mrs. Stone with your gift to the Mark Davis Lab for Cancer Therapy Research. Unless you have instructed us otherwise, my office will notify Mrs. Stone's family of your thoughtful contribution.

Sincerely,

Joseph R. Boeke
Director of Development Operations
